result, since March 1, 1914, 1,147 lots and 65 houses have been sold.

This realty, by order of the Supreme Court, is in the hands of the State Banking Department for quick disposal to wind up the affairs of the Industrial Savings and Loan Company and the New York Mortgage Company.

So extensive are these properties—that many of the most desirable pieces still remain unsold in spite of the active buying that has been going on.

The choice location of this real estate—which is in New Jersey about opposite 120th to 140th Streets—renders its investment possibilities very great.

Included are modern houses and bungalows, as well as excellently located plots and lots.

Title guarantee policies are furnished free to purchasers; 70% and 75% of purchase price may remain upon bond and mortgage.
